

# Atlanta Indian Film Festival

## Sponsorship “PARTNER” Levels & Benefits

The Georgia Indo-American Chamber of Commerce (GIACC), in collaboration with the Chicago South Asian Film Festival Indian Film Festival (CSAFF), is proud to present Atlanta Indian Film Festival (AIFF 2021). AIFF will be held virtually between **September 25 and October 2, 2021**, on a cutting-edge digital platform. We hope to present an eclectic collection of diverse, independent Indian movies. Patrons can watch with friends and family at their leisure, anytime, over the seven-day period. Our esteemed sponsors will be prominently visible to all our patrons every time they start a movie during the festival. We believe the increased selection of movies, flexibility in watching it anytime or anywhere means the number of eyeballs that will see our sponsors’ message this time will be exponentially more than before.

Now more than ever, GIACC needs you to support its mission, which includes supporting the arts, culture and business opportunities between India and the US. Below are the three sponsorship levels we offer for AIFF 2021. Thank you.

*Chairperson*
